**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing to urge you to allow my internet provider, DSL Extreme, to have continued access to the existing Frontier (Verizon) DSL lines in our area. I am a small residential customer and I rely upon DSL lines to receive my internet services. I chose DSL Extreme as my provider for my internet services because DSL Extreme is significantly less expensive than Frontier for those services and DSL Extreme provides high quality services while allowing us access to knowledgeable employees. Reliable and high-quality telephone and internet services are essential to living in an internet connected world. Please allow DSL Extreme continued access to DSL lines and do not approve undue rate increases for that DSL access.

Thank you.
